

## SPB ALJ Peremptory Strike List

**CASE NO:** \_\_\_\_\_

As a party to, or an authorized representative of a party to an evidentiary hearing before a State Personnel Board Administrative Law Judge, you have the choice of striking one name from the following list of available Administrative Law Judges (ALJ). Your strike of an ALJ will cause the struck name to not be assigned to hear case number \_\_\_\_\_, which is waiting to be scheduled for hearing. If you choose to strike a listed name, you must make your decision to strike and send your choice by facsimile transmission to the SPB Calendaring Unit at (916) 654-6055, **by no later than 5:00 p.m. fifteen (15) calendar days from the initial acknowledgement letter.** If you strike more than one name only the first strike nearest the top of the list will be honored.
